**TERM 4 WEEK 1 NO. 1**  
**Principal: Drew Green**

## Principal's Message

Well here we go again for the final term of the 2018 school year. I hope all our students and staff feel reinvigorated and ready to tackle what is always a busy term finishing with school reports. The holidays were a busy time at school with 1/2O, K1/N, 1/2M and 2W (including the hallway outside these classrooms) getting a much needed repaint. A big thanks to the teachers and support teachers for the huge effort of preparing these rooms ready for the painters, then reorganising the rooms during the holidays ready for the kids this term. There will be more classrooms painted over the next school holidays. This is all part of a major infrastructure project managed by Bruce to improve the learning and teaching environments for all students and staff.

This Thursday we are all enjoying a free concert by *Musica Viva* for the whole school. This is an organisation that has been in operation for a significant amount of time across the state if not nationally and we have been fortunate enough to access this free of charge. Many thanks to Chiara for organising what is sure to be a terrific event.

We also begin our Kindergarten Orientation for 2019 next Thursday. If you know of anyone who is intending on sending their child to school next year however wouldn't have access to this information, could you let them know and have them contact the school. Please remember that communication is the key to a successful relationship between the school and its families. In my experience, as long as we all talk to each other any issues can be successfully resolved to the benefit of everyone.

*Drew Green*

# Kindergarten Orientation

Our transition to school program commences next week. The Orientation program provides the opportunity for children to become familiar with school routines within a preschool context. Activities will be similar to a day at Preschool, yet the kids will be introduced to bell times, where you sit for lunch, buses and all the other new things you experience when starting big school. Orientation days start at 9.15am at the school hall and finish at 3pm. On the first Orientation day, Thursday 25 October, after meeting in the hall there will be a short school tour, goodbye to the kids at their classroom followed by an informative talk for parents back in the school hall. This parent session should finish around 10.30am. Please pack what your child would need for a normal preschool day. The office should have received all enrolment forms by now. If you still need to enrol please contact the school asap.

The students at KPS are really looking forward to meeting the new Kindy 2019 class. We have been visiting preschool during term 3 where strong bonds have already been made. See you all soon.

**Term 4 ends : Wednesday, 19 December, 2018**  
**Term 1 begins : Wednesday, 30 January 2019**  
**Next P & C Meeting Tuesday, 23 October 6.00pm Staffroom**
