We wish her all the best as she prepares for the next level of Spelling Bee.

Congratulations also go to Iddo, Laci and Julia You all tried very hard on the day and should be very proud that you made it to the Regional Final.

Grandparents Day

Wow! What a fantastic turn out for our Grandparents day. I would like to thank Sue Landers and all the staff that made Grandparent's day another success! I hope the Grandparents enjoyed the day just as much as the children did.

Stage 2 Camp

Stage 2 camp begins tomorrow. Students will need to be at school by 9am so we can load the bus and collect any medication from parents. A reminder that medication needs to be labelled by a doctor or pharmacist with students name, dosage and time of day. If you would like to follow what students are up to on camp you can check out pictures from our blog. Just type in the address bar the following information to access the blog.

What's happening in 1-2M

Last week, 1-2M won the 'nude food' day for stage 1. Our lunchboxes had the most reusable plastic containers, which helps our environment by reducing plastic waste. Lucky for us, we got a special prize for helping the 'war on waste!'

For our prize, we got to complete an obstacle course designed especially for us. We got to do some ninja warrior challenges on the fixed equipment, play tug of war and have some turns of using the big parachute. We had lots of fun! Thank you to the Year 5 and 6 girls who helped us to have such an awesome time!

Term 3 ends : Friday, 28 September 2018

Grandparents Day

Thank you so much to all the Grandparents and Grandfriends that visited our school last week. We had around 170 people attend, much to the excitement and delight of all the children. The grandparents visited classrooms and where entertained by KS at our assembly. This was followed by a scrumptious afternoon tea. Our Year 6 students were great ambassadors for the school guiding Grandparents to the correct classroom and serving afternoon tea. Thank you also to all the teachers that hosted everyone in the classrooms. What a great memory making day!

Kindergarten Orientation

The countdown is on for Kindy Orientation to commence! We have been paying regular visits to the local preschools and there is a lovely bunch of pre-schoolers set to join the Kyogle Public School community next year. A group of our Year 4 students have also been visiting the preschools over the last few weeks to establish our school buddy program. This experience has been greatly enjoyed by all involved. Fairymount Preschool will visit us on Friday, 21 September. If you have a child starting Kindergarten next year and wish to take part in the Orientation program please get your forms into us as quickly as possible. If you need any assistance please phone the school and ask to speak to Sue.

Dental visit

Forms were sent home recently to all Kindergarten and Year 2 students to be seen by a North Coast Health Dentist at school. This visit will take place on the first Tuesday back at school next term. We would really like these forms back before we go on holidays to ensure your child can take part in this valuable program.

Aboriginal Medical Service visit.

The AMS has formed a partnership with North Coast Health and will be visiting with their Dentist on Tuesday, 16 October. Notes were sent home to all Aboriginal children last week. Please complete the dentist section of these forms and return them to the school asap. Unfortunately the Hearing Specialist will not be attending, as in previous years, so no need to fill out the second page of the note. Thank you.
