## Principal's Message

Hello all,

Early last Monday morning four of our kids left from Casino Rail Station for 2 weeks at Stewart House in Sydney. A huge thanks to Stewart Grace who accompanied them, had a quick sleep over, flew home early Tuesday morning and straight back to work.

Last Monday afternoon also saw the Academic Expo run in our school hall. It was a great evening with plenty of awards and live examples of children's skills on which they were judged. A special thanks to our judges, The Lions Club and our CWA. The students ran the show beautifully. This is also a clear demonstration of the family support that our student's received. There were many warm and fuzzy moments watching our kids perform. A big Thanks to Mrs Natalie Hoffman who coordinated the whole event.

Last Friday, Erica Little represented our juniors and Katie Zeiler our seniors in the public speaking competition in Lismore at The City Hall. They qualified as school representatives after competing against quite a few other students on stage at our school.

The competition was against students from many schools in our area and both performed very well with Erica placing second!

**Outstanding work Erica!!** It's quite a challenge standing in front of a hall full of mostly strangers then speaking with confidence and character.

Well done girls, you held the Kyogle flag high.

*Drew*

## 3/4H celebrating all ages!

3-4H enjoyed a trip to the Whiddon Group last Tuesday and had a fantastic day. The Whiddon Group is a nursing home facility near the Kyogle Memorial Hospital and is home to many amazing people who deserve our support. They made pikelets with some experts in this area and enjoyed learning how to stir and add ingredients to make the best tasting pikelets!

Students also enjoyed a laugh and a few interesting stories with the ladies and gentlemen at Whiddon Group. The kids were very caring and had some lovely things to say about their excursion;

*"3-4H had a great time, hopefully we get to go back another day. We enjoyed cooking and we met a lot of people who were really kind."* – Eliza

*"We made delicious pikelets."* – Zoe

*"We got to take turns and put our pikelets on the cooker ourselves and even flip them. It was amazing!"* – Laci

*"We hope to see these lovely people again".* – Imogen

## Public Notices

# C.W.A News

In the lead up to Christmas, the CWA Kyogle Evening Branch will next open their supper room doors for the last time this year Saturday, 1 December to host morning tea and conversation for all ages.

Local families can help us support the Kidz Space children and their families from the Gulibal community and surrounding areas as they launch their self published book "Share the Journey". This book is a celebration of love that is found through shared connection and has been supported by Elders, Uncle Wayne and Aunt Vera Walker, who have worked for many years to create a safe place for generations of kids.

We will also have freshly baked gingerbread people screaming out for decorating by the kids, so bring your creative little family and friends to join in the fun.

**P & C** - the next P&C meeting will be held Tuesday, 20 November (tomorrow night) at 5:30pm for a 6pm start, at the Library to help accommodate any parents who need to bring kids along. This will be the last general meeting for the year, but it's never too late for new faces to join.

Thanks to all the families who have responded to the *KPS Instrumental Music Program 2019* survey. We have had a terrific response so far. If you have not received a copy of the survey, please contact the front office. Alternatively, you can fill out the survey online at <https://www.surveymonkey.com/r/WYZGJ79>. Stay tuned for more information!

### Library Message
