TERM 2 WEEK 2
Principal: Drew Green

Principal's Message

Hi All,

Here we go again! Firstly a great big thanks to parents for getting their kids to the ANZAC day march which included the dawn service. Our school captains were great representatives for our school at the dawn service and the service in the Memorial Hall.

A big thanks to all the kids for participating in a very important occasion and a very heartfelt thanks to all the teachers and support teachers who gave their time also.

Without the support of all these people most things wouldn't get off the ground. Thanks.

School Song

There has been some conversations with staff and students about our school song. Whilst it has served its purpose admirably in the past, it's now feeling a bit behind the times. The idea is to bring it into the 21st Century which is the world our students are growing up in. To this end if you have an idea that would support this we'd love to hear from you. We'll then take it to the kids and see where we end up. Send any suggestions to me please.

Opportunity Classes (OC)

Opportunity Class applications are now open. Opportunity classes are located in government primary schools and cater for highly achieving Year 5 and Year 6 academically gifted students. These classes help gifted and talented students to learn by grouping them with other gifted and talented students and using specialised teaching methods and educational materials at the appropriate level.

Your child needs to be in Year 4 to apply. It is a two year placement program with students leaving their current school to attend the school with the opportunity class.

Online applications close Friday, 17 May.

Our nearest opportunity classes are at Goonellabah and Alstonville Public Schools. Interested parents and carers must read Information about applying for Year 5 entry to an opportunity class in 2020, available at; <https://education.nsw.gov.au/public-schools/selective-high-schools-and-opportunity-classes/year-5/information-for-applicants>

Kyogle Fire and Rescue are opening their doors for you to meet your local fire-fighters and learn about all the things they do beyond fire fighting to keep you, your family and friends safe. Saturday, 18 May 10am – 2pm.

Kids in the Kitchen

To start off the Term we had 3-4D come and practise their cooking skills and learn all about healthy eating. The kids are always very surprised about how good vegetables actually taste! The students are

overjoyed to be cooking and eating together. This week is 4-5A and 5L's turn. We would really like some parent helpers to assist over the next few weeks. We have only got 6 classes to go until the project finishes and not enough helpers. It is a fun morning so please consider it if you have a few hours free.

Sound Waves

This week we are learning the sound:

What's happening

Visual Arts in 5-6B

Creative Arts in Term 1 was an exciting time for 5-6B. We found out that many of our classmates are talented artists. The unit we studied allowed us to research the lives and works of Kandinsky and Pablo Picasso. We discussed how the artists went through different eras based on their personal lives at that time. We also worked on the skill of creating likenesses to real objects in our world. The greatest outcome of all was the amount of variety throughout the works created by the students. Our classroom is definitely brighter and full of colour as a result of the work completed in Term 1. Term 2 will be full of Music with Mr Nolan and we look forward to what that brings.

National Walk Safely To School Day

It's that time of year again! On Friday, 17 May, our school will be again participating in National Walk Safely To School Day. This event encourages students to be active and at the same time, provides an opportunity to discuss road safety for pedestrians.

The pick up points are:

- Miss Nicho and Joy - Homestead Preschool
 - Miss Marshall and Mrs Bryant - Skate Park
 - Mrs Grace and Michelle - Kyogle Tractors
- Parents, carers and pets are more than welcome to join in the fun!

The next Gullibul AECG meeting is on Wednesday,
8 May at
GUGIN GUDDUBA LAND COUNCIL, 53 Ettrick St
Kyogle at 4:30pm.
All welcome

Community Announcements

Swimming Star

Congratulations to **Luke Barnett** for an outstanding effort at the NSWPSA Swimming Championship in Sydney. Luke travelled to Sydney in the last week of Term 1 to compete in the swimming championships. We are all incredibly proud of his efforts!

On Friday 80 students from KPS travelled to The Risk to compete in the District Cross Country. It was a great day with outstanding behaviour and sportsmanship shown by everyone. While we are still waiting on the final results, our students all performed to the best of their abilities and should be congratulated for their efforts!

Students Singing With The Semitones

Want to sing with the Semitones? Kyogle Community Choir, The Semitones, based at Kyogle Public School, is preparing for a concert early in Term 3 on Saturday, 27 July in the afternoon. They are inviting any of our school kids to join with some small school students to attend two Friday morning workshops to perform a few songs together. The workshops will be held in the school hall from 9:30am – 10:30am on Friday, 17 May and Friday, 28 June (second date to be confirmed). There is a \$5 registration fee to cover the cost of the support material.

Please return the below form along with \$5 to the office. Participation in the concert is not a pre-requisite of attending the workshops however would be desirable. Please return the below section by Monday, 13 May.

I would like to workshop with the Semitones.
