TERM 2 WEEK 4
Principal: Drew Green

Principal's Message

Hi all,
Well that's NAPLAN done and dusted for another year.

This Tuesday, staff will be doing an extended professional learning session after school around digital technology, support with literacy/numeracy plans and developing an assessment matrix to use with student writing. We will be bringing in expertise from outside our school plus utilising some internal expertise that was picked up in Melbourne last Term. We look forward to using these skills in the classroom with your children.

Our softball team and our girls' football and boys' football teams have all had wins in their respective PSSA competitions moving on to further rounds but unfortunately after a valiant game, our mixed cricket team lost by a mere two runs to Terranora. Well played everybody!! **Lynton Close** has been selected to play under 11s rugby league in Newcastle and participate in a selective training camp at Lennox Head. Top work!

Drew

Osmo in 4-5A

This Term, has got off to a flying start in 4-5A. Congratulations to all year 5 students on finishing up NAPLAN this week.

The latest addition to our classroom is OSMO. OSMO is a unique device that is used with an iPad that lets students interact with real world objects like puzzles, letters and numbers instead of just a touch screen. We have used OSMO within both literacy and numeracy sessions this Term. All the students have loved using OSMO in the classroom.
