# KS

have continued learning about single sounds this term. We even created our own classroom Hair Salon to celebrate the week of 'hH'. Understandably, the salon only charged apprentice prices that week!!!

Romeo and Matilda demonstrated how to cut fairy bread into halves and then quarters during our maths lesson on fractions. Even though we ate the bread one quarter at a time, the whole piece of bread was totally delicious!!!

We have also started writing our own, independent stories. We are locating words within our classroom environment and sounding out unfamiliar words to record the sounds we can hear. The writing has been nothing short of impressive, making their teacher incredibly proud of their efforts and progress.

**Kids in the Kitchen**

Every class has now had a turn attending the fun session of Kids in the Kitchen. The students have loved the hands on learning approach to this program and have learnt many new skills and appear to be more adventurous about what they eat. Teachers have noticed more variety at fruit snack with kids open to trying new foods. Parents have also said that their children want to help with food preparation and there has been many little quiches cooked at home! Kids in the Kitchen would not have been successful without the regular parent helpers, Jessica Dawson, Kelly Warren, Megan Wilson, Jennifer Atkinson, Rebecca Gardiner, Naomi Fuller, Ma'ayan Adar, Denise Predo, Kylie Hoffman and Cassie Farrah who helped not only in their own children's classes, but other classes as well. Thank you also to the parents that came in for their child's class. We hope to continue the program in Term 3.

## What's happening

### Parents

**If you have a child away from school for one day or more, please ring each day or send a signed letter in to the office as an explanation. Having an older sibling tell us unfortunately does not explain an absence satisfactorily.**

**Thank you :-)**

KPS are once again participating in the Woolworths Earn & Learn program this year. Stickers can be handed in to the KPS office and there is a box outside Woolworths at both Casino and Lismore Shopping Square stores to drop your stickers into.

### Updating Our School Song – Your Ideas Please

We are seeking ideas from you, our students, parents and community about updating our school song "Grow In Wisdom".

The song as it is today was recorded at least a decade ago and, after discussions among staff and students, it is generally agreed it is starting to sound dated. Mr Nolan, our Music teacher has much experience in writing and recording songs and has offered to help with the process of giving our school song some new "sparkle".

"The sentiments in the song are excellent as they encourage us all to reach for the best we can be and see where our individual journeys can take us", according to Mr Nolan.

Possible improvements might include: new melodies, new instrument sounds, a different music style, faster/slower tempo, some new singers and possibly even some new lyrics.

We are asking for your ideas and are keen to hear what you think. We envisage running song-writing sessions during lunchtimes later in Term 2 for those who would love to contribute to the process.

Please email your thoughts to [Gregory.Nolan@det.nsw.edu.au](mailto:Gregory.Nolan@det.nsw.edu.au) so we can gauge the level of interest in the project.

# Sports

## Basketball

KPS hasn't had a representative Basketball team for many years although last Friday, a group of 10 boys attended the PSSA Gala Knockout Basketball Competition at the Goonellabah Sports and Aquatic Centre. The competition was hotly contested with many of our boys shooting baskets in the hope of staying in the competition. The team played a series of three games and clearly demonstrated improved mobility around the court and passing accuracy during each game. The players thoroughly enjoyed the day and were hungry to remain on the courts for as long as possible. Although they didn't win the competition they could all identify skills they needed to develop further.

## Upcoming Sporting Events

Date	Details:

★ **Netball:** KPS girls played a terrific game of netball against Casino West PS this morning. Our girls played really well and were great sports. They learned a lot of new things, but Casino West proved to be the stronger team for today.

★ **Rugby League:** Kyogle PS Rugby League team played really well against Casino West PS this morning. KPS had a resounding victory over Casino West PS, which means they have now qualified for the next round of the PSSA Rugby League knockout.

★ **Softball:** Well done to our girls softball team. They made it to the third round in the PSSA Softball challenge, but they were defeated by Brunswick Heads last week. Great effort girls!!

### Lynton chosen to play for North Coast

KYOGLÉ Public School student Lynton Close has been selected to play in the North Coast under 11 rugby league team. Lynton is excited to be given this opportunity and will begin his journey by attending a training camp at Lake Ainsworth this month. The North Coast team will travel to Newcastle in June.
